

2022 spUN Adjudication Format

Date: _____ Time: _____ Tabroom #: _____

Teams: AFF: _____ Judge: _____

NEG: _____

Score each speaker on a ten-point scale (1 = needs improvement, 5 = adequate, 10 = excellent). After scoring each speaker, add the speaker points together on each team. The team with the highest speaker points usually wins the round, however, it could happen that the judge determines a team with better arguments should win the round. For each speaker, please comment on what was done effectively, as well as what needs improvement.
